Final ride this season (Schlussfahrt) 2017, Date: Sunday, October 8th (in case of bad weather 15th of October)

«Fahrt ins Blaue», which means the destination of the ride is a surprise

It will take us to the Ost Schweiz. The theme is as always the "country and it's population"
The aim is to experience an unforgettable ride to finish off the season of successful Thursday evening rides, which took place during summer.

For the ride only we will meet at the **Restaurant Luegeten** above Pfäffikon SZ at 10.30 am. After instructions and forming groups of 6 to 10, at 10.45 am, we will take off at 11.00 am. The ride will take about 2 to 2 ¼ of an hour and we will stop for an apéro that will take about one hour.

After another ride of about an hour or a little less, we will be at our destination where it is possible to have a late lunch. (early dinner)

The ride home takes about one hour when using the highway back to Zürich. The routes can be altered to a 1½ to 2 hour ride.

**For those who would like to join us for brunch we will meet at 9.00 am
(costs sFr. 25.- per person all inclusive)**

If somebody wants to come for the brunch only (it's possible to arrive by car) it is also an option to take part.

Important, we need to plan this event therefore please contact me by email or mobile with SMS on 079 333 23 77 and let me know if you're coming (with or without brunch, number of persons)
